

Leap for the Stars Tutoring Program

Parent Contract

The intent is for your child to gain the greatest possible benefits from this tutoring program. As space is limited, selection to the program is a privilege that requires parental responsibilities. Each parent is asked to carefully consider the following requirements for participating in the program. Your signature will acknowledge that you understand and agree to abide by the following:

1. Ensure that your child will attend each tutoring session, with assigned homework from school (*for maximum results*).
2. Give permission to the Leap for the Stars Tutoring Program to track the academic performance of my child while attending the sessions, or commit to sending copies of my child's grades to the program manager (*this information will remain confidential within the operation of the program*).
3. Give permission to the Leap for the Stars Tutoring Program to photograph my child engaged in instructional activity and to use my child's demographic information for OSR reports and publications (*no identifiable information will be directly associated with your child*).
